

REMARKS

Favorable reconsideration of this application is respectfully requested.

The present Amendment is supplemental to the Amendment filed January 2, 2009.

The present Supplemental Amendment makes certain clarifications to the language in claims 1 and 12 to provide more clear antecedent basis for the different recited elements. The previously submitted arguments to the allowability of the claims over the applied art are believed to still apply to the claims as currently written.

Thereby, in view of the present Supplemental Amendment and the Amendment filed January 2, 2009, the present application is believed to be in condition for allowance, and it is hereby respectfully requested that this case be passed to issue.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
